My dear Sri Srinivasan,

May I write to you on the subject of the accommodation for the Deputy Commissioner in Mysore. Sri George Matthan who is now occupying "Lacey's Court" will be vacating it in a few days. This building was originally intended for the use of the Assistant Private Secretary to His Highness and as Sri Matthan could not find any other accommodation he was allowed to occupy "Lacey's Court", which was vacant then. I am not aware if it is the desire of the Government that "Lacey's Court" should become the Deputy Commissioner's quarters hereafter. But as I possess a house in Mysore, I request you to kindly obtain orders of Government for my occupying my house in Mysore as long as I am Deputy Commissioner in Mysore. "Lacey's Court" may be used for any purpose for which there is need and there is need also as Government is paying heavy rent for various private buildings.

Yours sincerely,

Sri K. Srinivasan, B.Sc.,
Chief Secretary to the Government
of H.H. the Maharaja of Mysore.

No. 1821-V Office of the Chief Engineer
of Mysore,
Dated, Bangalore, 7th February 1950

To

The Chief Secretary to Government in Mysore,
Bangalore.

Sir,

Lacy's Court Building at Nazarbad, Mysore

Adverting to correspondence ending with your letter No.11550/CB1 dated 23-2-1950 regarding the utilisation of the "Lacy's Court Building" at Nazarbad, Mysore, I have the honour to state that the newly constituted offices of the Superintending Engineer, Cauvery Circle, Mysore has since been shifted to the "Lacy's Court Building" on the 2nd February 1950 as no other Government Building was found suitable for the purpose. The two private rented buildings formerly occupied by the offices of the Superintending Engineer, Mysore Circle, and of the Irrigation Circle (since combined into Cauvery Circle as per reorganisation Scheme of P.W.D.) have been vacated and the rents paid for the above buildings viz., (Rs.150 plus 120) - Rs.270/- per month have been saved to Government.

CB 41
15.3.50

The proposal of accommodating the Executive Engineers Buildings Division, Mysore and his Stores in the Building has thus given up in the above circumstances. It is reported by the Superintending Engineer that the rent due by the former occupant of the Lacy's Court Building viz., Sri George Mathan has been fully paid for the period of his occupation by deduction from his salary.

Yours faithfully,

MR/28-2. CHIEF ENGINEER OF MYSORE.
